**FACING THE FUTURE WITH HOPE**

The ongoing economic crisis has resulted in the loss of jobs, vocational dreams, and financial security. For many there has been a 'crisis of identity.' Our country has been living Lent for the last couple of years.

Throughout the centuries, people have sought the wisdom and practices of spirituality to help them find meaning, comfort, and even transformation during challenging times. It is this practical wisdom, based on the Bible and other spiritual resources, that will help us get through our present crisis and with a sense of hope.

Our retreat presenter is Father Max Oliva. Father Max is a Jesuit who lives in San Jose, California but who ministers on a regular basis in the Las Vegas Valley. He teaches ethical decision-making at Regis University's satellite campus in Henderson. Father is the author of five books on the spiritual journey, two of which will be available for purchase, at author discount, during the Mission.

Father Max will be available for private conferences in the afternoons of Monday, Tuesday, Wednesday, and Thursday; please make an appointment through the parish office.

**LIMITED CHILDCARE (CHILDREN AGE 1 & OLDER) IS AVAILABLE WHEN RESERVED IN ADVANCE. PLEASE CALL 361-8840 BY MARCH 3RD TO RESERVE YOUR SPOT.**
